Life insurance fraud may involve faking death to claim life insurance. Fraudsters may sometimes turn up a few years after disappearing, claiming a loss of memory. An example of life insurance fraud is the John Darwin disappearance case, which was an investigation into the act of pseudocide committed by the British former teacher and prison officer John Darwin, who turned up alive in December ...

Having health insurance is important for several reasons. Uninsured people receive less medical care and less timely care, they have worse health outcomes, and lack of insurance is a fiscal burden for them and their families. Moreover, the benefits of expanding coverage outweigh the costs for added services. Safety-net care from hospitals and clinics improves access to care but does not fully ...
