

caste conflict elite formation pdf

Caste is a form of social stratification characterized by endogamy, hereditary transmission of a lifestyle which often includes an occupation, status in a hierarchy, customary social interaction, and exclusion. It is an extreme evolution of a system of legally-entrenched social classes, also endogamous and hereditary, such as that of feudal Europe.

The caste system in India is the paradigmatic ethnographic example of caste. It has origins in ancient India, and was transformed by various ruling elites in medieval, early-modern, and modern India, especially the Mughal Empire and the British Raj. It is today the basis of educational and job reservations in India. It consists of two different concepts, varna and jati, which may be regarded as ...
