Banking in Central and Eastern Europe and Turkey

4 | The New Role of Central and Eastern Europe in International Democracy Support It should be noted that Eastern EU democracy promotion has at times been inconsistent, ad hoc, and of only low priority. Often, violations of democracy and human rights abroad have been a concern more in rhetoric than in reality.

The New Role of Central and Eastern Europe in

The Review of Central and East European Law seeks to recruit its contributors from among those interested in the domestic legal systems of the region, as well from authors active in the fields of regional and international law (public and private). This implies a welcome to all serious and qualified authors,
