The Massachusetts court system resembles a pyramid. Cases commence in one of the 7 trial court departments, and are first decided there. Cases are initiated in the particular court which has subject matter and geographic jurisdiction over the issues and parties involved.

Massachusetts Court System | Mass.gov

The civil service is independent of government and composed mainly of career bureaucrats hired on professional merit rather than appointed or elected, whose institutional tenure typically survives transitions of political leadership. A civil servant or public servant is a person employed in the public sector on behalf of a government department or agency.
