By Dean Anderson Linda Ackerman Anderson. We believe that employees are more likely to commit to change when they have the full story about what is causing it, and, they tend to resist change when they don't see the rationale for it.

How to Increase Employee Commitment to Change - Change

Elon College was founded by the Christian Connection, which later became a part of the United Church of Christ. The charter for Elon College was issued by the North Carolina legislature in 1889. William S. Long was the first president, and the original student body consisted of 76 students.

Elon University - Wikipedia

100 years ago, a series of studies about the education of health professionals, led by the 1910 Flexner report, sparked groundbreaking reforms. Through integration of modern science into the curricula at university-based schools, the reforms equipped health professionals with the knowledge that contributed to the doubling of life span during the 20th century.
