Effectiveness of Social Media as a tool of communication

Overview How a company communicates about a breach is an essential part of breach response. In the age of social media and the 24/7 news cycle, the amount of public scrutiny companies face as they go

Communicating a Breach: Best Practices and Examples

The main modes of communication in our societies today are electronic and print media. The defining feature of the media is the use of technology to achieve and externalization of meaning in such a way that people can communicate with one another without being in one another's immediate presence (Hannerz, 1992). Media are machineries of meaning.
