Poverty is a state of deprivation, lacking the usual or socially acceptable amount of money or material possessions. The most common measure of poverty in the U.S. is the "poverty threshold" set by the U.S. government. This measure recognizes poverty as a lack of those goods and services commonly taken for granted by members of mainstream society. The official threshold is adjusted for ...

The poverty threshold, poverty limit or poverty line is the minimum level of income deemed adequate in a particular country. In practice, like the definition of poverty, the official or common understanding of the poverty line is significantly higher in developed countries than in developing countries. In 2008, the World Bank came out with a figure (revised largely due to inflation) of \$1.25 a ...

Just over two million youth under the age of 18 were arrested in 2008. Of these two million, about 95 percent had not been accused of violent crimes. For nonviolent youth involved in the juvenile justice system, incarceration in traditional residential placement facilities often does more harm than good. This factsheet discusses the weaknesses of large residential placement facilities, as well ...
