Readability is the ease with which a reader can understand a written text. In natural language, the readability of text depends on its content (the complexity of its vocabulary and syntax) and its presentation (such as typographic aspects like font size, line height, and line length). Researchers have used various factors to measure readability, such as ...

The penny press arrived in New York on January 1, 1833, when Horatio David Shepard teamed up with Horace Greeley and Francis W. Story and issued the Morning Post. Although both Greeley and Story went on to fame and fortune in the New York press world, the concept of bringing out a penny paper belonged exclusively to Shepard.
